Monumental Round Pine "Arlan Isles" Mirror by Ralph Lauren, Circa 2000

List: \$2,250

A massive-scale circular "port hole" style vintage laminate pine Ralph Lauren Mirror; American circa 2000 (made in Mexico); Impressive in its size and straight-forward in its execution, this substantial mirror is of very high quality with richly-hued laminate molded pine and deeply recessed mirror glass; for the Ralph Lauren "Aran Isles" Home Collection. [1. Ralph Lauren is noted for nautical themes, seafaring motifs, and rugged beauty like that found on the coastal landscape of Ireland's Aran Islands. The Aran Isles are at the mouth of Galway Bay on the west coast of Ireland at the mercy of the relentless Atlantic Sea. The Islanders were fishermen and farmers known for their unique cultural heritage and the iconic Aran sweater.

The robust design of this mirror suggests the same stalwart, rugged, and elemental values as those of the Islands themselves. It communicates Ralph Lauren's broader and timeless design philosophy.]
